SUBMITTED FOR APPROVAL

Sunday after the death  
of Kennedy about 5:30 AM  
Jennie came to his apt.  
at Cambria Southeastern College  
was very upset & stating that  
the NO - police were hunting  
him & had taken some stuff from  
his home. He made several  
calls to G. [unclear] & then left.  
this is the first time I seen him  
in a year or so.
