# Industry 'Spy' Subpoenaed in Callahan Probe

District Attorney Jim Garrison today subpoenaed a Tacoma, Wash., man described as an "undercover agent" in his probe of the assassination of President John F. Kennedy.

A subpoena was issued for Fred Lee Crisman to appear before the Orleans Parish Grand Jury Nov. 11.

**THE SUBPENA** says Crisman has been engaged in undercover activity for a part of the past several years.

A copy of the subpoena was filed in the Orleans Parish Criminal Court. District Attorney James L. Alcock said Crisman has made many trips to New Orleans and Dallas in connection with undercover work for manufacturing companies.

Alcock said his office has developed evidence indicating a relationship between Crisman and the assassination of President Kennedy.

government, which stopped the end of the Cold War.

The subpoena is the latest move in the investigation which began in November 1963. Thus far, two persons have been charged with conspiracy in the case, Clay Shaw and Edgar Bruce Bradley.

Bradley yesterday in Los Angeles asked for and got a delay until Nov. 11 to return to Texas extradition from California to face charges there. Garrison is seeking his return on a fugitive warrant.
