Harrison Livingstone to Mark A. Crouch

Crouch: ..and of course that leads to other things which sets me up perfectly ,which is it leads. What did you tell me last night, because I talk to Mary..Rick..Rick wants to come up the road and kill me again, because I talked to Mary.

Livingstone: Don't, don't sweat that alright.

Crouch: What do you mean don't sweat that!

Livingstone: Well because I'm working with Rick daily and I've tried to get this under control. But Mary plays everybody off, that's the game that's going here with everybody in this fuckin' deal is that they're all playing each other off against each other. And you know we're going to have to put an end to this.

Crouch: Harry..

Livingstone: and what we're gonna do is expose it for what it is..

Crouch: That's the second time that you've told me, in the last 5 months that because of somebody, either Weisberg and the MDW file, or Mary Ferrell, that Rick was predisposed to killing me and that the only thing preventing that...

Livingstone: Mark, wait don't jump to conclusions. I said he was very, very angry with you.

Crouch: No, no, that's not what you said last night.

Livingstone: Well I meant it as joke, but he is, was very very angry with you But I'm gradually, he's left it to me to try to dig up the truth and try to sort out what's going on here.
