

Cuba

Kennedy's advice came  
from a plot which had  
ignited the anger  
provided was narrow  
in perspective but  
leading to the  
frustration of the  
peoples of the  
world and the  
spirits of the CIA  
dedicated to their  
which they wrongly  
connected with the  
coming of the  
interest, and which had  
made a science of  
misinformation and  
had advice, and which  
was so common of its  
craft in discrediting that  
they extended its practice  
to the white house
