SUBJECT: CRIMINAL INTELLIGENCE (6)  
RAYMOND CUMINGS

Sir:

SUBJECT contacted JIM GARRISON, District Attorney in New Orleans, Louisiana and stated that he had hauled LEE HARVEY OSWALD, DAVID FERRIE and one other person while he was working part time as a cab driver in Dallas. SUBJECT reportedly hauled these persons to JACK RUBY'S Carousel Club prior to the Kennedy assassination.

MR. B. L. MYATT, owner of MYATT'S VILLAGE PHARMACY, 2311 Lakeland, DA 8 3191 related the following information to this office regarding SUBJECT.

92c  
SUBJECT worked for Myatt on a part time basis beginning on October 3, 1963. Myatt fired SUBJECT in the early part of 1964 after SUBJECT was caught stealing from him.

Myatt stated that he used the AFFILIATED SECURITY SERVICE to check on employee thefts and pilferage. Just before the store was closing for the night one of the security men came in and purchased a box of candy from SUBJECT, paying with a marked five dollar bill. SUBJECT then went to the back of the store under the pretense of closing the back door prior to closing. The security man and Myatt searched the register and SUBJECT for the marked money but failed to find it. After SUBJECT had left for the night, the security man and Myatt found the marked money in a trash can near the rear door. SUBJECT's employment was terminated after this incident.

Mr. Myatt also stated that SUBJECT is an unmitigated liar and teller of tall tales. While employed by Mr. Myatt, SUBJECT gave his address as 6870 Marla Drive, EI 1 6381 and stated that he had a wife and three children. Mr. Myatt stated that from some of the tales SUBJECT told he (Subject) ran around with other women a lot. During this time SUBJECT was employed on a full time basis with the Dallas Power & Light Company. Mr. Myatt further stated that JERRELL W. GRUBBS, address unknown, was an employee of his at that time and knew SUBJECT very well. Grubbs is currently employed at the Ford Assembly Plant on East Grand.
