Dear Mrs. Davis,

I wish the long day I work permitted the kind of answer your letter warrants. However, I must be brief.

When I made official representation to the Post office over what has been happening to my mail, I was assured that it was nothing but the pinhead of inefficiency our P.O. has finally achieved.

There were, I think, six different versions of that LIFE edition. A young scholar at the Univ of California has made a detailed study.

Thank you also for the enclosures. I have a friend who also will be glad to see them.

It is kind of you to take the time to write. I do appreciate the encouragement.

Your copy of Oswald in New Orleans will go out in the same mail as this. We are, at the moment, snowed in. The book goes by fourth-class mail, which does take a little longer. You should have it in a week or so, however.

Again, my thanks for your thoughtfulness.

Sincerely,

Harold Weisberg

Dear Mr Weisburg,

My name is probably familiar to you as I have written to District Attorney Garrison numerous times. I want a copy of this book "Oswald In New Orleans" and I am enclosing a personal check for \$1.50 on account. I thought I shall enclose \$2.00 in currency, as I wrote Garrison I have one pressure after another, now for the past month it has been my checking account and mail. Checkbook stolen from home, banks refusal to stop checks and refusal to deliver to me my cancelled checks and a closing statement on account when I closed it. When I called police I was treated as I always am. They took no name or number of account and said I had just misplaced checkbook.

I did not realize the bank was involved until I opened up another checking account and they refused

2.

to give me a closing statement on old account and cancelled checks. I still have no gas but I cannot hire a licensed plumber with my American dollars. My electric bill was held up in mail as N. Y. + C. mailed it. It was due 10th of month and as yet I have still not received it. It has disappeared in the mail. When I go to postmaster to file a formal complaint again I am laughed off. When I wrote to U. S. Justice Dept about the mail tampering and disappearance while Robert Kennedy was Attorney General even sending him the package which had been opened. He said take to local postmaster and refund to do anything because only Catholics could have opened that package and substituted another instead. Robert Kennedy is allegiance is to the Church which is required by the laws of the Church. In 1963 I wrote the news media that I believed there was a conspiracy and that my Church the Catholic Church was involved and that my allegiance

3.

would be to God, then Country, then Church. In his
Christmas Message 1963 Pope Paul said give
up your allegiance, I haven't and I won't.

Have you seen the first edition of the Life
Magazine Memorial on Kennedy. There were only
a few I saw them - The roses in that magazine
were yellow. I saw them when they hit the news
stand as I was working in one. I connected the
yellow roses with the yellow that was being
used in the Church when according to laws of Church
the color for that season was green. Purple is also
used quite frequently during November or November
is the month of all Saints. When I connected
the yellow roses in the first edition of Life
Magazine with the yellow in the Church Mass
and literature weeks prior to the assassination
the yellow roses were changed to red and you
cannot show me a Kennedy Memorial with yellow
roses in it the actual color of the roses Jackie
Carried in Dallas. This is confirmed in the U.P.D

4
Kennedy Memorial of Front pages of newspapers
where photos showing. Roses photograph them white
Had they been red as Memorial show them they would
have photographed black in a black and white
picture. All alone crashed and tragic affecting
current events bring yellow back into the picture,
In Church yellow is used in Mass on the news
front people involved wear yellow. There were
yellow roses tea roses at the United Nations
when Pope Paul visited. The same day he visited,
the Pastor of the Church I attended here in Wichita
filed false charges against me. The detective who
questioned me about these false charges was
killed a few weeks later in a supposed
highway accident. Mrs. Scizgo was killed on
a Front Day of Church while F. B. I agent watched
and did nothing. That day both Martin Luther
Kings wife and Lady Bird Johnson wore yellow.
Yellow was used in Church. Repeatedly this

5.

happens. The use of yellow and death occurs on
Dust Day of Church. Clare Booth Luce is
a Catholic by conversion and she at that time had
controlling interest of Life Magazine (this information
came to me via of The Congress of Racial Equality).
She is a Republican not a Democrat who are getting
blamed for conspiracy. I am I have been and I
always will be convinced that Republicans, Democrats
and business men who are involved because their
first allegiance is to the Nation laws of the
Catholic Church. This belief is further confirmed to
me by the fact that the American people have
been deprived of the truth of the assassination
while a foreign priest, a devotee advocate of the
Roman Catholic Church was not only permitted
to attend all of these Warren Commission hearing
but was allowed to inject his remarks into the
Commission Report. President Johnson said he wish
Luce to Washington the day of assassination because

6.
of security reasons for the country. Then why not
for security reasons - was not all foreign representatives
or persons representing a foreign power excluded from
these hearings?

I expect tragedy November 29th and because
of the ill advice Gen Eisenhower gave at The Bay of
Pigs and became he is shuttling back and forth
between Kansas and Penn. I think he knows what
is going to happen. Since I brought my suspicion
to news media. A fire occurred here in Wichita
on Eisenhower street when I charged that was
arson and the fire occurred on St. Paul which
I believe is also arson. Unless this little presents
it I expect arson. In the fire on Eisenhower a
dog died. I have blue dogs November 29th sticks
in my mind because in 1963 on Thanksgiving
Day I wrote President Johnson about the yellow
roses and there together occurring on West Days
of Church. St. Klara a Saint of Catholic Church where

a red rose blue rose, even stayed to be found on
 a statue in Holy Angels Church Dayton Ohio
 prior to assassination and remained long after
 week funeral for President at the University of Dayton
 The Mass being celebrated by Bishop Lubold from
 the Archdiocese of Cincinnati where so many plane
 crashes had occurred on Feast Days of Church.
 When I brought them fell out to Civil Aeronautics
 Board, the actual date of crashes were changed
 on the investigation report released to Chicago
 Tribune. When Gerald President Johnson
 in 1963 he took a wreath of Red Roses and
 put them on the Presidents grave which had
 nothing but all white flowers on it, On
 November 29th 1963 another plane crashed at
 St. Thine's Canada. The Knights of Columbus of
 Dallas donated a gold chalice to the Immaculate
 Conception Shrine in Washington D. C following
 Presidents death On December 8th on the Feast of

The Immunist Conception another plane crashed
 in Elkhon Maryland. Now the Catholic Traditionalist
 Movement has offices in Pan Am Building and
 only today Pan American announced that sure to
 Russia to start regular routes to Soviet Capital.

When American students defied U. S. State Dept
 and went to Cuba cost paid by Russia they went
 via of Prague, the home of St. Helena and the Infant
 Jesus Statue she worshipped. When Earl Long released
 prisoners of war as a favor to American negotiators
 at the request of a telegram signed by Martin
 Luther King, Joan Baey and Dr. Spock, these
 prisoners come home via of Prague. The
 Conspiracy still goes on while many Americans
 sleep. I can't because they heckle me so
 much all the time. I have to fight them to
 stay alive and to keep from being burned and
 by arson. God keep us if Mc Namara gets to
 that world Bank. He's made enough of a mess

of the Defense Department with thousands of American
 boys dying needlessly. Only a week or so ago I
 heard a tape of a soldier in Vietnam who said
 60% of their jets were grounded because they
 lacked parts. The American dollar will be
 undermined. This has been their intent all
 along. At the same time Kennedy was killed the
 new American dollar came out the same weekend.
 The dollar with no silver backing it. Mexico
 when silver was taken from our coins refused
 to accept them. Pope Paul when he was
 Archbishop of Milan attended the bankers
 meeting and advanced so well financially he
 built 70 new churches and brought from
 2,000 to 5,000 priests into Milan giving each
 a telephone and a new car. The 70 churches
 didn't bring the spiritual Christ Church home
 a duty of boys but Milan became the Capital

10.
for houses of prostitution, Four Thousand
housewives set their homes up as fronts
for houses of prostitution while he was archbishop
there. Someone had better get the truth of the
assassination to the people because there is no
surer way to destroy a country than to
destroy the monetary ~~value~~ value of dollars. It
may already be too late.

And if Robert Kennedy did not convince you
when he advocated sending blood to North Vietnam
and coalition government that the Roman
Catholic Church is the power behind these splits
in political parties and corruption in government,
then perhaps this enclosed literature will. These
books are currently being taught in American
schools.

If you are in Wichita I should like
to talk to you if I am still able to talk and.

have not been burned out.

It is impossible to put everything in a letter as I know my mail is read.

Enclose currency and take serial numbers off of it and they will not make it disappear as they do so much of my other mail.

I might add that at the time I was attempting to get my heat turned on a Kansas Gas & Electric Employee was killed. He was found by passersby. He was killed by a Wichita Police Detective. It was supposed to be a love triangle but the woman he was supposed to be going to see was in a hospital and the police made no move to arrest the detective until he sent his children to school and went to Police Station. Sheriff said there was three bullet holes. Doctor testified at trial there were five bullet holes in the man. They will attempt to make my death appear as

suicide if it ever happens but I know as every Catholic knows suicide is a mortal sin which sends the victim to Hell. It will be murder and if fire takes place it will be arson.

I was surprised to learn that the Organization ~~for~~ of Citizens for Fair Play for Cubans was a C. I. A organization but further convinced ~~me~~ that the pressure is coming from the government and the Church. I was sent literature from this organization. Needless to say I was scared out of my wits because I knew it was connected with the assassination.

Please excuse the ^{incompetent} scribble. I have to work six days per week and don't have the time I need to bring these facts out as they should be.

Keep up the good work. One day freedom loving Americans will indeed know how much you and others like you have done.

Sincerely
Mrs. Joyce L. Davis
