Dear Harold

I received your letter today! and was glad to hear from you. There is no expense or trouble involved in my taping I always tape in 2's so don't worry. I want you to have your own Copy. My God the fuss these 5 tapes on A+E will cause! So called written will come out of the wood work and everywhere. Steve Rebel is really sticking his neck out! his life has already been threatened. I want to have first hand knowledge of the 3 assassins that killed JFK. and talked to one of the fellows that turned the job down. I am convinced as you say "But" for the truth not theories. Harold what do you think? do you think that Oswald was a patsy or trigger man? I trust you and know your honest. my way of thinking is that Lee was and agent some time of Nathan & was a patsy as he said I believe a innocent man was killed in hoisment of the jail. Jack Ruby was crazy as hell he was a no body that was being used as Oswald was & didn't have

enough since to come out of the rain, the  
people responsible for JFK's killing killed  
Ruby with an injection of Concor. This is  
just my theory Harold. I would like to  
know what you think. The man Gordon Arnold  
in #2 I feel sorry for him that man was  
~~was~~ truly hurt & taken off guard by  
what was shown him, he stated that  
if he'd known about the picture he was  
shown before he'd never agreed  
to the interview. They've probably scared the  
hell out of him, making him think he's the  
only person to have seen the killer! Please  
check my spelling I'm worn out just got  
down from work at work is hard a day at  
Carpent Mill, I'll go now I don't want to con-  
tinue you. I sure do appreciate your letter  
Harold. When I order my last book I'll  
put a note in the M.S. to remind you  
to sign it. Just put what you want to  
& sign & date. I'll go now, write if  
you feel like it.

Sincerely your friend

Martha

P.S. Steve Rebele  
is trying to go to  
coroner's jury. He probably  
won't live long enough 😊
