Dear Mr. Weisberg:  
Saw article about  
you, Baltimore Sunday  
Sun, July 5 issue.  
Have you ever heard  
of the "shooter on  
the pavement" theory  
like in the enclosed  
article? Word  
Davis is a real  
US patriot, and  
was instrumental  
in getting Hanoi  
Harbor mined by

our reluctant  
government in  
Vietnam defeat.

I personally know a  
AF pilot who reported  
that Rockefeller's  
oil refinery in Hanoi  
was off-limits to  
his squad's bombs.  
How ridiculous I  
would have hit it  
anyway, claimed I  
got lost, lightened  
my load, etc.

Let me know re the  
attached - win
