Dear Hal -

Having gone thru the trap yourself  
a number of times, I don't need  
to explain to you how ~~and~~ one  
gets anchored into doing a book.

I started mine as a newspaper  
piece last Spring. You still  
see your bibliography again &  
see how far you got at construction  
including a lot of your  
actions; including where William  
is.

As you know where William is,  
Robert Green that was, I  
the president that was, I  
now's and that's your  
last and source or  
some of your references in  
Bill Barber's book for  
needs. Please the fact that  
I refer to home 518-313-314. Best wishes,  
Ed W. White
