~~3/9~~ 3/5/90

Hal —

Your clue on
who ~~the~~ Zapruder
film panned out,
I think.

You gave name
HANSEN — no
such in CA directory.
But did get a
LARS HANSSEN EXPORTS
and residential
listing. Believe
that's him (have
beard) ~~yes~~ distancing
himself from Cooper.

Am getting an extended
play videotape of ~~some~~ talking
Bill Goodman (Las Vegas
talk show) ~~but~~ but which,
as told, has a clearer
take of Hanssen's clip.
Can get to you ~~by~~ if you want.
