Dear Mr Weisberg:

I had written Mr Jones  
after having read his book  
"Forgive my Grief" and his  
wife suggested I write you a  
note expressing my enthusiasm  
for your very, very fine book  
"Whitewash." I have met the

Jones and Mrs Jones brother  
lives in this small town. It  
was thru him I obtained a  
borrowed copy of "Whitewash."

I certainly hope the efforts dis-  
played by a few courageous  
writers will cause a new & more  
truthful investigation of the as-  
assination. Thank you for your  
writing "Whitewash"

Yours  
Mrs Harry Deaver
