topics that should be [illegible] to reasonable size, keeping only the really solid stuff. might be cutting it down to reasonable size, keeping only the really solid stuff.

You asked about the file number 97-74. This is on the DeBrueys report, entitled FPCC..., as well as on one of the handbills. Did JG ever get anything out of DeBrueys?

11/22/69

I am enclosing the copy of the Liebeler 9/6/64 memo which Lifton sent me. I made myself a copy, so you need not return this. (If Gary doesn't have it, send it to him. Incidentally, I did send Gary the letter on Masterman.)
