Mr. Harold Weisberg
Route 12
Frederick, Maryland 21701

Dear Mr. Weisberg:

Your letter of May 11th, with attachments, did arrive last week. I apologize for the delay in acknowledgement and thank you for the copies that you enclosed.

I take it that you now consider the defector memo of November 27, 1963 and "Mr. Martin" as more likely to be Peter Deriabin than Golitsyn.

Thank you also for taking time on May 8th to discuss with me the Epstein book, "Legend", and some of the interesting background information that you have learned in the course of your research. I should be interested in any new information that you may acquire in the coming months, specifically any hard facts bearing on unresolved questions that deal with any intelligence services, or their agents, in the context of our discussion.

Sincerely,

Jean M. Evans
