

you should add the
spec. Sess. 4/30/64
discussion of PIX
& X-rays to the
Postscript of PM I
where you discuss
Specter's 2 memos
re PIX & X-rays.
Point out that Specter
requested the
examination as
"indispensable," Warren
ordered it, Specter
wrote another memo
(5/12/64) indicating
the examination was
planned, but - as far
as we know - it
never occurred. Why?
