Dear Mrs. Weisberg:

This letter is in response to your Freedom of Information - Privacy Acts request dated May 31, 1980.

A search of the indices for the Baltimore Office was made pursuant to your request for information identifiable with you, including "see" references, the subjects of which documents are other individuals or organizations.

Your request has been considered under the provisions of both the Freedom of Information Act (Title 5, United States Code, Section 552), and the Privacy Act of 1974 (Title 5, United States Code, Section 552a). It has been determined by the Attorney General that requests by individuals seeking information about themselves are governed by the Privacy Act. In addition, as a matter of administrative discretion, any documents which are found to be exempt from disclosure under the Privacy Act will also be processed under the provisions of the Freedom of Information Act. Through these procedures, you receive the greatest degree of access authorized by the law.

The only investigation located identifiable with your request, was reported to the Federal Bureau of Investigation Headquarters (FBIHQ), in Washington, D. C. It is my understanding that FBIHQ has already released documents to you concerning this investigation. As the information released would have included documentation from the investigation by this field office, Title 28, Code of Federal Regulations, Section 16.57(c) does not require an additional release of field office documents.

You have thirty days from receipt of this letter to appeal to the Associate Attorney General from any denial contained therein. Appeals should be directed in writing to the Associate Attorney General (Attention: Office of Privacy and Information Appeals), Washington, D. C. 20530. The envelope and the letter should be clearly marked "Freedom of Information Appeal" or "Information Appeal".

Very truly yours,

Edward D. Hegarty
Special Agent in Charge
