e. MPD Tactical Units- Their Deployment and

Activities on the Evening of April 4, 1968. When the sanitation workers of Memphis began their strike in February of 1968, the MPD either organized or beefed up various tactical units. Generally, each of these units consisted of 12 law enforcement officers from the MPD and the Shelby County Sheriff's Department.

These units were organized for the purpose of avoiding riots which other cities, such as Detroit, had experienced (Interview of Frank Holloman, former Director of Fire and Police for the City of Memphis, September 15, 1976, App. B). Documents obtained from the State's Attorney General (Item 9 from MPD Miscellaneous Records) show that on the evening of April 4, 1968, at the time Dr. King was shot, there were nine tactical units in service at various locations as follows: ?

<u>Tact Unit No.</u>	<u>Street Locations</u>
6	Thomas and North Parkway
8	Jackson and Watkins
99	Chelsea and Watkins
10	Main and Butler
11	Georgia and Orleans
12	Trigg and Latham
13	Bellevue and Effie
17	Union and Bellevue
18	Fourth and Gayoso

In addition to the tactical units, the documents obtained from the State's Attorney General show that there were ten regular police cars (with 3 to 4 men per car) in the general area of the Lorraine Motel. These cars were at the following locations at the time Dr. King was shot:

<u>Car No.</u>	<u>Street Locations</u>
224	Main and Beale
228	Third and Poplar
232	Fourth and Butler
230	Union and Front
236	Third and Belz
245	Second and Gayoso
247	Crump and Barton
365	Lamar and Bellevue
367	Poplar and Cleveland
369	Linden and East

The map (Part of Item 9 from MPD Miscellaneous Records, see App. A, Ex. 1) shows that Tact Units 10 and 18 were within a radius of one mile of the crime scene (200 block of Milberry Street) at the time of the shooting; and Tact Units 6, 11 and 12 were within a radius of two miles of the scene. Tact Units 7, 14, 15 and 16 were located outside the boundaries of the map and are not shown. Cars number 224, 230, 232, 245 and 247 were within a radius of one mile of the scene and cars number 228 and 369 were within a radius of two miles. However, cars number 236, 365 and 367 were outside the boundaries of the map.

Particular emphasis is given to Tact Unit 10 and the activities of its men, as this unit was located at Fire Station No. 2 (S. Main and Butler) at the time of the

shooting. On the afternoon of April 4, 1968, Tact Unit 10, consisting of three cars and 12 men stopped at Fire Station No. 2 for a rest break at approximately 5:50p.m. The unit was commanded by Lt. Judson E. Ghormley of the Shelby County Sheriff's Department. The other members of the unit included Deputies W.A. DuFour, W.J. Berry, Vernon Dollahite, R.N. Baker and Ronald Maley of the sheriff's department; and Patrolmen Carroll Dunn, William Gross, Jason Morris, Barney Wright, Emmett Douglass and Torrance Landers of the MPD.

Interviews of the above named men indicate that when the unit arrived at the fire station, the cars were parked on the north side of the fire station entrance with the lead car actually obstructing the sidewalk. The second car was parked directly behind the lead car and the third car was double parked alongside these two cars. (MPD Statements, State v. James Earl Ray, DuFour p.1449; Berry p.1450; Ghormley pp.1451 and 1532; Dollahite pp.1455 and 1505; Dunn p.1457; Gross p.1460; Morris p.1463; Wright p.1466; Baker p.1468; Douglass p.1469; Landers p.1471 and Maley p.1480.)

While Patrolman Douglass remained with the lead car to monitor the radio, all of the other men went into the fire station to take a break. When the shot was fired that killed Dr. King (at approximately 6:01p.m.), these men were at various

locations in the fire station drinking coffee, making telephone calls, etc. Patrolman Richmond, who was manning the surveillance post in the rear of the station, yelled throughout the station that Dr. King had been shot. The members of the tact unit, some of whom had heard the shot, all ran out the north side of the fire station and then east toward the rear of the fire station and the Lorraine Motel. (See diagram of crime scene, App. A. Ex. 2).

Patrolman Douglass, who had remained in the lead car to monitor the radio, heard the shot when it was fired. He immediately got out of the car and ran toward the rear of the fire station with the other men. After Patrolman Douglass realized what had happened, he returned to the lead car, along with Patrolman Wright, and radioed the dispatcher that Dr. King had been shot. Douglass and Wright then drove the lead car south on S. Main to E. Butler, east on E. Butler to Mulberry and north on Mulberry to the entrance of the Lorraine Motel. Douglass and Wright later drove the car, accompanied by one or two other unidentified officers, north on Mulberry to Huling, west on Huling to S. Main and south on S. Main to the front of the buildings located just north of the fire station. */

*/ There are conflicts in the statements of Douglass, Wright and Ghormley. Douglass stated that Ghormley and other unidentified officers got in the car with him at the fire station and they drove to the Lorraine Motel. According to Wright's version, he and Douglass left the fire station together and picked up one or two other unidentified officers at the Lorraine Motel. On the other hand, Ghormley claims he turned around at the concrete wall at the rear of the fire station and ran to the front of the station and then north on S. Main Street.

The other men in the tact unit continued to the rear of the fire station to a concrete retaining wall abutting Mulberry Street. DuFour, Dollahite, Morris, Baker, Landers, Maley and Dunn climbed down the concrete wall and ran across Mulberry Street to the Lorraine Motel. DuFour and Morris ran up the stairs to the balcony where Dr. King's body lay. The people there said the shot had come from a red brick building north of the fire station on S. Main Street. While DuFour remained with Dr. King's body until the ambulance came, Morris ran north on Mulberry to Huling and west on Huling to the north side of the buildings facing S. Main Street. Another officer (probably Maley or Dunn) was already at that point, and Morris stopped there to assist him in securing that area. ??

Baker ran to the Motel balcony where DuFour was standing beside Dr. King's body. He then ran back to Mulberry St. and ran north for a distance to an alley. Baker ran into the alley looking for anything suspicious. He noticed that other members of the tact unit were securing a building (probably the building with its north end on Huling). Therefore, Baker went to the corner of Mulberry and E. Butler and took up a position there.

After Landers learned the direction the shot came from, he found a 55-gallon drum and climbed back up the concrete retaining wall on Mulberry St. into the lot on

which the building where the shot was fired is located. Landers observed that the bathroom window was partially opened and he saw an elderly white male come up to the window and look out. He ordered him to get back from the window. Landers also saw an elderly white female looking out a window directly south of the bathroom window. He ordered her to get away from the window. Landers also checked the bushes on the lot for evidence and checked the entire area for footprints. After other officers arrived, Landers and another MPD officer climbed onto the roof of a one story building which backs up to Mulberry St. This building runs along the north side of the building whence the shot was fired. Finding nothing on the roof, they came down and started up an alley leading to a basement. About 10 feet up the alley they found two fresh footprints in the mud. Landers guarded these footprints until homicide detectives arrived on the scene. Subsequently, a plaster case was made of each footprint. However, the footprints were never positively identified by either the MPD or the FBI.

Upon learning where the shot was fired from, Dollahite and Maley ran out of the motel courtyard, turned north on Mulberry to Huling and west on Huling toward S. Main. Maley stopped in the center of the block and began guarding the

north end of the building. However, Dollahite continued running (with gun drawn) to S. Main and turned south on S. Main. Dollahite noticed a number of patrons in Jim's Grill at 418 S. Main. He ran into the cafe and ordered everyone to remain seated and not to leave. Dollahite then stopped momentarily at Canipe's Amusement Company located at 424 S. Main where he observed a green bed spread lying in the doorway partially covering a blue suitcase and a box containing a rifle. As he continued down S. Main a short distance near a fenced-in parking area, Dollahite observed Lt. Ghormley and another officer coming north on S. Main. Dollahite turned around at that point and walked back to Canipe's store ahead of Lt. Ghormley and then crossed the street for the purpose of securing the front of the building. After he took up his position, Douglass and Wright drove up in the lead car.

Other officers who did not climb down the retaining wall at the rear of the fire station and run to the motel are Ghormley, Gross and Berry. After running to the retaining wall and observing the people pointing to the building on S. Main St., Berry came back to the fire station entrance, jumped in a cruiser and drove north on S. Main to the first intersection at Huling where he stopped the car in the street and secured that area.

Ghormley and Gross also returned to the front of the fire station after first running to the retaining wall. They both turned north on S. Main and ran toward Huling. Ghormley stopped at Canipe's Amusement Co. where he observed what appeared to be a blanket partially covering a blue suitcase and a Browning rifle box with about a foot of the barrel of a rifle exposed.

The apparent discrepancies in the statements of Ghormley and Dollahite can be accounted for only by the mass confusion which must have occurred immediately after the shooting. However, it appears that Dollahite first observed the bundle while running south on S. Main with his gun drawn. But, he continued past Canipe's Amusement Company and after he saw Ghormley and the other officer coming north he turned around and took up a position on the opposite side of the street from Canipe's.

Guy H. Canipe, the owner of Canipe's Amusement Co., informed Ghormley that a white male had just dropped the bundle in front of his door a minute or two earlier and had run south on S. Main. Ghormley radioed this information to headquarters and stood guard over the articles. Shortly thereafter, Canipe told Ghormley that a white Mustang automobile had left the area at a high rate of speed after the bundle was dropped. Ghormley also radioed this information to headquarters.

According to the transcript of the MPD radio tapes (MPD James Earl Ray Supplements, Attorney General's copy, Supplement 79, p.1714) Tact Unit 10 advised the dispatcher that Dr. King had been shot at the Lorraine Motel at 6:03p.m. By 6:06p.m., the dispatcher had ordered a circle formed around the Lorraine Motel and the buildings west of the motel on S. Main. Moreover, patrol cars and other Tact Units had begun to arrive on the scene. At 6:07p.m. Tact Unit 10 advised the dispatcher that the weapon was in front of 424 S. Main and that the subject ran south on S. Main. At 6:08p.m. the subject was described as a well-dressed, young, white male. At 6:10p.m. the dispatcher relayed information from Tact Unit 10, that the subject had left the area in a late model white Mustang.

The men in the Tact Units and patrol cars kept the area sealed off, directed traffic, and checked out suspicious individuals while detectives from the Homicide Squad investigated the scene. Inspector Nevelyn E. Zachary of the MPD Homicide Squad arrived at the Lorraine Motel at approximately 6:15p.m., and by 6:30p.m. he had taken custody of the bundle of articles found in the doorway of Canipe's Amusement. Zachary turned the bundle, except for a tee shirt and pair of shorts, over to the FBI at about 9:30 or 10:00p.m. The tee shirt and shorts were also turned over to the FBI after the laundry marks were checked with local laundries (Interview of former Inspector Nevelyn E. Zachary, September 15, 1976, App. B).
