LILLIAN M. STONE

Employed May 27, 1938 at Reconstruction Finance Corporation as stenographer and is presently hired as clerk-stenographer in the pool of the Examining Division, RFC. The name of Lillian M. Stone, 1403 Rhode Island Avenue, N. W. was included on a list published by the Dies Committee on Un-American Activities as being a member of the Washington Committee for Democratic Action. In an interview with an official of the RFC regarding Stone's affiliations with the Washington Committee for Democratic Action it was learned that Stone receives literature from this organization and advised that she had no knowledge of the character of this organization and was not acquainted with any of its members. She admitted that she was acquainted with some Communists. The official interviewed stated that Stone had signed the affidavit stating she did not advocate the overthrow of the Government (the Anti-Strike Affidavit).

On January 16, 1942, Stone appeared at the Washington Field Office, FBI, and furnished a signed statement in which she admitted receiving literature from the Washington Committee for Democratic Action but denied any knowledge of that organization and affiliation with the Communist Party. This information was submitted to the Head of RFC, Jesse Jones. A reply by Charles Henderson to the FBI report asked that no action be taken.

Mr. Roy Moore of the FBI called this morning and gave me the above information.
