

Rt. 12, Frederick, Md. 21701  
7/4/76

Freedom of Information/Privacy Act Officer  
Department of State  
Washington, D.C.

Dear Sir,

This is my requested under FOIA/PA for all Departmental records on me, regardless of nature or source.

At the time I was transferred into the Department from O.S.S. my residence was 2322 N. Nottingham St., Arlington, Va.

My Social Security Number is 577-36-7290. I was born in Philadelphia, Pa., on April 8, 1913.

I was dismissed under what was known as the "McCarran Rider" and then rehired and permitted to resign.

I mean this request to include all records of any and all pressures from outside the Department to accomplish this dismissal. Among the sources other than files on me there should be records having to do with the Department's appropriations under consideration prior to this and other dismissals. Other sources may be those of the then Secretary's and the legislative representatives files. General Marshall then was Secretary.

I believe that the files of the Public Information office for that period also should be searched.

Sincerely,

Harold Weisberg
