

March 19, 1964

The bronze casket in which President Kennedy was transported from Dallas was picked up this date at 2:30 P.M. by Mr. Lewis M. Robeson, Chief Security Agent, National Archives. Joe Hagan assisted in placing the casket on the GSA truck.

John P. Gawler

11/9/62
Harold, These documents were obtained from Joe Hagan at Gawler's by a young researcher named Patrick Boyles of Winston-Salem, N.C. He brought them to ASK. Dave Lipton and I interviewed him on tape. Note the first documented reference to a "shipping casket" is David's carry. It's all so I don't attach any great significance to it. RB

THE HONORABLE JOHN F. KENNEDY
