Dear Bud,

When you were here I loaned you my only copy of the DJ-Bundy papers I had from Paul. You were to copy. We both forgot Thursday. Could you please have your girl make you a copy so I can pick it up Friday?

May I also suggest this is something I should have been given or told about when I made the request from your office in your presence for the Public Disclosure file. You already have a copy of the various documents I have from this file, one with this heading. I have beginning with page 9. What I asked for is beginning with page 8.

As this sort of deception accumulates, I think it will be impressive in court. At least it will make a solid record our way.

Nothing else new.

My medical appointments should end about 11 a.m. If you are free for lunch, shall we get together for that. I'll have the balance of the addition to COUP. Lil will finish typing it today or tomorrow. When you have finished with it, I'd like you to mail it to Paul, who wants to make his own copy of it. It can go Special Fourth Class Rate - Books, at 12¢ first pound, 6¢ each additional pound. Please ask her to wrap well in cardboard and insure for \$75.00. Paul will return it to me. I presume you'll be able to finish with it before you go to England and will so notify him. If you find errors, and if you have the time, please note them on a separate sheet. Lil will now begin going over for errors and after my return I'll be picking them up on the master and rereading myself to catch others. If you are tied up for lunch, I might be able to get there by 11:30, depending on getting out of and into parking lots. Afterward I'll go to the Archives for the color pix, and if no one is coming here, maybe work there a while.

Best
