Capt. Eddie Rickenbacker,  
Chairman of the Board  
Eastern Air Base, Inc.  
New York, N.Y.

Dear Captain Rickenbacker,  
As you know the above organization is  
the Communist Airline front.

The reorganization of our program  
was the result of the poisoning of Captain Ferris,  
and the subsequent resignation of Captain Ferris.  
The program is now being reorganized and  
will be a military and military  
organization. We have been working on  
obtaining needed equipment.

We are requesting that Captain Ferris  
be given a letter of resignation from the program  
so that the work at hand can be completed at  
the time he holds in his hands as many threats  
which pertain to the security of the Caribbean  
area that no reasonable substitution could be  
made.
