

12th 2/6/69

1/8/69

Harold - I haven't
flipped! I realized after I'd
sent the tube that I had an
original "partial list" of un-
called witnesses which is
more detailed + explicit than the
one I mailed you yesterday
(especially from #23 - Chickson,
on) so I'm sending it to im-
plement the other.

Regards,
Maggio.
