FBI never violates, what rights? Conk Adams on my unit
1. duties of Americans "No way"

- 1) Adams himself was to disrupt disrupt
"was" no reason to criticize "why being there did"
- 2) operation Hordecomb - no apologies
- 3) Horne's private files in his own office - he was professed
- 4) SLP files because they were for possible overthrow of govt.
"advisers"

Burrows anonymous Mr in teacher. Is it proper?
Have to consider the influence teachers have.
Ought to have been done w/ Horne's name.

- 5) L.A. Hunt/Symposium shoot-out. Could killing have been
avoided? Because they did not come out when advised.

6) Brick-in a legal right? Efferves has been done for
"national security"
No danger to civil liberties? Have to have confidence in Gables
& long about common sense. So, we have to have our own
intelligence - counter-intelligence
Begged Hanks to protect them. They had "ammunition -
critical" advisers.
"ally says" we have absolutely nothing to hide in the FBI"
