Captain WILL FRITZ, Dallas Police Department, made available seven pencilled pages handwritten on notebook paper, setting forth background information concerning LEE HARVEY OSWALD. "On May 29, 1963, I requested permission from the FPCC Headquarters at 299 Broadway, New York 3, New York, to try to form a local branch in New Orleans. I received a cautious but enthusiastic go-ahead from V. T. LEE National Director of FPCC. I then make layouts and had printed public literature for the setting up of a local FPCC. I hired persons to distribute literature. I then organized persons who display receptive attitudes toward Cuba to distribute pamphlets. I sought support from Latin American Consuls of which there are many here in New Orleans; I infiltrated the Cuban student directorate and then harassed them with information I gained including having the N. O. city Attorney General call them in and put a restraining order pending a hearing on some so-called bonds for invasion they were selling in the New Orleans area. I caused the formation of a small, active, FPCC organization of members and sympathizers, where before there was none.
