

4/16/87

Mr. Richard Callen
78 St., 4C
New York, N.Y.

Dear Dick,

Today I was reminded, having nothing to do with the book about which I wrote
you, of Peter Sheppard.

I'd rather you tell him nothing about this at all.

I have started back on it and do not know and cannot predict what progress
I will make but I am again interested in it.

And it is a fascinating business.

Hope you are all well and happy.

Best regards,

Harold Weisberg
