ON THE TRAIL OF THE ASSASSINS

My Investigation and Prosecution Of the Murder of President Kennedy

BY JIM GARRISON

For the first time, **Jim Garrison**, the former District Attorney of New Orleans, tells the whole story of his investigation of the J.F.K. assassination—how he learned that **Lee Harvey Oswald** had been associated with **David Ferrie**, how they both frequented the offices of **Guy Banister**, how they worked with rightwing **Cuban exiles**, and how they all were connected to **Clay Shaw**—and to the C.I.A. and the F.B.I.

He describes the unfolding investigation as a gripping adventure, as he began to realize that President Kennedy was not murdered by a “lone assassin,” but was the victim of a conspiracy, one that involved a strange and frightening mixture of intelligence operatives, gangsters, exiles, and dupes.

He also tells the saga of the Clay Shaw trial, how he ran into official hostility at every level of government, how witnesses mysteriously died or disappeared, how stories changed, how his office was infiltrated.

Norman Mailer, who read the galleys of this book, says:

“Jim Garrison’s book presents the most powerful detailed case yet made that President Kennedy’s assassination was the product of a conspiracy, and that the plotters and key operators came not from the Mob, but the C.I.A.”

On the Trail of the Assassins also has an Afterword by **Carl Oglesby** entitled “Is the Mafia Theory a Valid Alternative?” In it he explains why Jim Garrison’s view—that the primary force behind the assassination was the C.I.A. rather than the Mafia—is far more compelling than the contrary view, espoused by **Robert Blakey** and **David Scheim**.

This book will be published on November 22, 1988, the twenty-fifth anniversary of the assassination. It is 340 pages, cloth-bound, illustrated, and indexed. Its cover price is \$19.95. As a special offer for the subscribers of **Ted Gandolfo’s newsletter**, Sheridan Square Press is offering the book to you now at a special pre-publication discount. If you send in your prepaid order before December 1, 1988, we will give you a 20% discount and ship it to you immediately upon printing.

Order your copy now. Send your check or money order (made out to the Institute for Media Analysis, Inc.) for \$15.95, plus \$1.75 shipping and handling, a total of \$17.60, using the coupon on the reverse.
