

LOYALIST } COLLEGE OF APPLIED ARTS AND TECHNOLOGY

Dear Harold,
This E. Olsberg interview confirms our analysis of the N.F.K. Vietnam Policy and suggests motive for the elimination of N.F.K. and R.F.K.

I assume N.G. was too lazy to campaign. A better writer than a D.A.! In an interview he alleges that Dennis, Oil Consultant, John King, was involved.

I do not believe the oil/mafia theory. As Henry Patterson said, "too convenient!"

Sincerely,
