

MEMORANDUM

February 2, 1967

TO: JIM GARRISON  
FROM: CLEMENCY NAVARRE  
RE: LAUNDRY TAG

---

Mr. Morris of Pelirin Machine Company located at 700 Jackson Street, Kenner, is cooperating with this office in attempting to locate the Tag-O-Electric Machine which was used to print laundry tag in picture under investigation. Mr. Morris contacted the Textile Marking Machine Company, Syracuse, New York, and requested all of the owners of this machine in the State of Louisiana, particularly the New Orleans area. As soon as I receive this list of establishments, a further investigation to locate this machine will be conducted.

The Chalmeune Laundry Chain was mentioned in an office memorandum. A check of this establishment proved that this chain does not use the Tag-O-Electric Machine. They staple their tags by hand.

This investigation will continue upon receipt of correspondence from Textile Marking Machine Company of Syracuse, New York.
