RE: BOSTON/NEW ORLEANS RENTAL RECORDS

On February 2, 1967, SAs. Simms in company with Det. Clancy Lawrence went to the Balfordster Apartments located 4336 Paris Avenue, New Orleans, to obtain rental records on the following persons:

Stoyie Aracache Saint
Charles Gairaga
Richard Davis

Mr. A. J. Monjard, III, Manager of the Balfordster Apartments, informed us that since we were looking for records dating back to January and February of 1963, he could not furnish those records since they are only kept five years and are then destroyed. Mr. Monjard was then asked to check his index cards on the three aforementioned subjects, which he did. The only index card he had was on one Richard Davis instead of Richard Davis, but he stated he thought this was the same person. This card reflected that one Richard Davis rented an apartment at 1370 Washington Street, Apartment "A", and took possession on May 2, 1962 and vacated on February 10, 1965. No cards were found pertaining to the other two subjects. We then requested that Mr. Monjard furnish to us all of the index cards for the years 1962 and 1963 which he refused to do because he stated it was the policy of the management that no records leave the office.
