

Dear Harold,

4-5-95

Hope you have a good
birthday. I am looking forward to seeing
Nora again! in the bookstore. I am
sure Bill's visit will be a welcome
occasion. Wish I could be there.

Dennis and I will certainly stop
by in Aug. when we give our paper at that
conference in D.C.
Regards to Billie.

Best,

Romy

On this day this little note
comes warmly to express,

The friendly way

You're always wished

The best of happiness.
