4/6/95

Dear Mr. Headrick,

I appreciate your writing me but God willing day after tomorrow I'll be 82,
^{am} and not in good health and cannot keep up with the work on which I'm engaged.
So please do not send me Ostrich or The Australian Police Report.

For your information, as I set forth in my second book, with copies of the
surveyors plats, Elm Street was repaved after the assassination and the ^{red} ~~red~~ stripes
no longer are where they were.

In addition, photographs show that it was not possible that Hickey fired that
shot by accident.

In addition, spectrographic analysis of the fragments recovered from the
President's head rule it out.

Good luck with your other endeavor.

Sincerely,

Harold Weisberg

Dear Sir,

Before you read the following I was a member of the Secret Police (K9) in the USAF. Vietnam, Bentwaters, England. Security that day 11_22-63 was not at its worse it always was--- POWER OF SUGGESTION (same as the brinks robbery in Boston on 1-17-50) the media tells the people power of suggestion for the security of the client and the people believe it because it is stated over and over and over again. Politicians do this everyday in their field!!!!

From August to November of 1990 I worked as a chef at the Hotel Washington in Washington DC next to the White House LOCAL(25) and I worked 5 on and 2 off, I would take my uniforms home to be washed and when I would return at 6AM to work with a big package under my arm I was never and I repeat NEVER checked (I questioned this security only in my mind) UNDERSTAND SIR . Between 10-11 AM I would take a break union rules and I oftened wondered to myself looking out over the white house oval office that a person could do the wrong thing(UNDERSTAND) I could see the people inside --- even though repairs were being done with see-thru tarp. What I am saying is the bull---- of the power of suggestion used because look at the shootings at the white house last fall (UNDERSTAND)!!!!

If they were lying about all of this so called security ---- WELL NOW _____ WHAT DO WE HAVE HERE????????????????????????????????

SIR my story is true ----- it has to be , because I recieved this infro from the agent who pulled the trigger "BY ACCIDENT" on President John F.Kennedy.

PLEASE FOLLOW THIS :

There are 13 road stripes on Elm street from the underpass to Houston street.(I checked 1963,1989 have pictures to back this up) NOW the goverment says that the Altgens photo of the front of JFKs car and the follow up car with Agent Hickey facing the TSBD building is Z_313. "BULL_____.

*****REASON*****

if you count back the stripes on Elm this picture is at the BUMBER FOUR (4) and jfk was killed at the NUMBER SEVEN (7) stripe at Z_313!!!!!!!

Are the taxpayers children being taught the wrong math in school?

In July of 1993 I was questioned by the S.A on JFKs death and I used the power of suggestion on them (my security and it worked) I explained to them the 13 stripes and that S.S. Agent Hickey had to be the person to have shot JFK because of the angle at the NUMBER SEVEN (7) stripe on Elm.

*****HICKEY WAS MY ROOMMATE AT A VETERANS HOSPITAL IN AUGUST OF 1991 WHEN "MORTAL ERROR" BY DONAHUE WAS BEING PRINTED)!!!!!!

Now Sir the goverment did not say anything so on Nov. 22,1993 NEWSWEEK printed a full page of and where the shots came from in Dealy Plaza.

(1963 photo (TOP VIEW) with the Hertz sign atop the TSBD).

?????? They moved the head shot at Z--313 further down the street in front of the steps leading up to the grassy knoll.

?????WHY?????

I truly believe that my power of suggestion caught them in one of their "FAMOUS" lies, because even in the "MYTH" of the WARREN REPORT by using the MOORMAN photo JFK is at the

NUMBER SEVEN(7) stripe at Z_313.

How in the world are they allowed to just change things to suit their purpose to confuse the public when in a court of law the WARREN REPORT is the final word on the matter/////

SIR I hope that you will take the time to look over my findings

QUESTION

if they would lie about this what other ways to lie about in the things that Mr.Hickey discussed with me/// ??????????

hope to hear from you soon

OVER

SIR,

I am not gonna send THE Big Folder of my Book 'OSTRICH' +
THE Australian Police REPORT + OTHER Findings AT THIS moment - OK!

REASON - I HAVE SPENT alot of money writing people #10 HERE #10 THERE
+ THEY ALL SAY 'OR' + THEN IT IS AN 'INSTANT REPLAY' OVER + OVER
AGAIN, * STOPPAGE of PLAY * WHO MAKES THEM STOP!

① READ DECKER REPORT # 5232 FROM EYEWITNESS BILL NEUMAN,
(EVERYTHING COMES TOGETHER BY THE 13 ROUND STRIPS + REMEMBER
Hickey HAD THE SAME color HAIR AS JFK)

② MISSING BRAIN - WHY? AR-15 BULLET INSIDE SKULL
9% more Copper + 1% less Impurities NOT INCLUDING
THAT THERE IS NOT NO 8% ZINC FROM OSWALD'S BULLET!

THE MATH TAUGHT IN SCHOOLS picked for by "VOTERS" +
"TAYPAYERS" IT JUST DOES NOT ADD UP! 1 + 1 DOES NOT ADD-UP
TO 2. GET IT,

Hope To HEAR from you

Thank you
