

"JFK - The Final Frames" Hard Copy 11/21/91 WRL 4:30
From Stone's movie, I think enhanced that killer
Stone calls his movie "a jigsaw" they use Lipton - again - on
hill shot. Says hair missing when body get to Bethesda and the
whole thing was to make Oswald appear guilty

Dr. Baden says backward motion does not mean shot from front.
as they projected the film without sound a dozen v's briefly
about 10 minutes
