Dear Jones,

I checked at the Archives today and learned that they cannot find the color pictures of the shirt, Hill Exhibits A & B and that the reproduction of the FBI color picture costs \$10.00.

I told them to go ahead and print that and to continue the search for the Hill exhibits.

Nothing new except that the Nizer show on WOR got me bounced from the scheduled Metromedia taping of their coming Special this coming Tuesday. Lane now has it alone. It began as mine alone on the other side when all the Commission lawyers were to be against me. Now that only two of the minor ones will be there, it is safe for Lane.

The reason given me makes no sense. I think Nizer threw weight.

Sincerely,
