Dear Mrs. Hatfield,

Your previous letter arrived after I had mailed the books.

Therefore, I am signing these and you can give two others to whomever you'd like on the paper.

I addressed the Ohio Associated Press News Directors's Assn annual convention in Cincinnati Saturday night. All these men now have the second book and will soon have the first. They, however, are radio and TV only. By and large, their attitude was enlightened.

Why not consider Oswald as neither all black nor all white, as having some grey? I do not believe he was ever radical right. I believe he was capable of feeling he could depend on ACLU lawyers.

Thanks for the clippings and the check.

Sincerely,

6-8-67

Dear Mr. Westbrook:

Thank you for the books -
I am almost flummoxed - It is all
you say it is & more - Henry
J. Taylor - Right Wing syndicated
Columnist is a good break thru.
Appeared here in Citizen Journal -
More impact coming from his
political persuasion - unless he
wants to clear himself while
still time - motive ~~no~~^{no} matter -
it was printed & read - Also
Camparts - Latest issue - very
good - Gordon Novel named
nationally first time. CBS
Scope - another break thru -
too had no publicity & got in
prime time. But, hopeful.
Gov. Rhodes, Ohio now says
Novel must testify on Pres.
~~Assassination~~ "Muder" here in Cal, 1st (Novels)

& status Quo - But not a complete
lost cause, We adopted our ~~and~~
little girl from his wife's adoption agency.
He did return my call - when I
asked him to investigate your
"Dell" book not ^{per se} ~~published~~ ^{distributed} here.

I think it is important for Columbus
to hear the truth of W.W. II - He can
do it - & just ought - Novel is here -
& being protected here. If he doesn't
pay for it - I will ^(Dixie Cady) I wish I
had your autograph in books - your
research is fantastic - your eyes must
be shot. (I mean & body)

Please reread paragraph on
Oswald asking for ACLU. Lawyer - There
is a glaring conflict in logic there -
I feel - he was stalling playines

1 dog - Wrens

3 cats - 2 harness
We have

part of left wings at
this juncture - even though
arrested. Therefore, he did
that to throw suspicion
on Communists - not because
he really wanted ACHU. To
a Right wing - ACHU = Left
Wing = Commie - etc. He was
therefore playing a role
& accomplished same -
I hope you follow my
thinking - & pardon my presumption.

Enclosed hope
clippings - Court - reportedly
still being "protected" in
California. Incidentally just
discovered his lawyer - Weiner -
lives in our immediate
neighborhood.

My admiration for
you - is beyond description -
you must be read &
heard - now. Thank you
for everything - Hope you can
read this -
Sincerely
Lou Harford
