Dear Mr. Weisberg

"Ignorance is Bliss"

Sometimes seems like a  
real fine way to be - They  
may drag the rest of us  
down with them - But the  
fact that it seems to be the  
state of the majority - its  
the few that suffer - Maybe  
don't just intelligent enough  
to realize how stupid I  
am - But I feel its a rather  
frustrating state of "limbo"  
no matter how one slices it,

my neighbors all  
around me - seem so uninformed  
unconcerned & happy to have  
it this way - I didn't plan  
bring this way & neither did  
they - why we each are so  
different - is a strange thing  
to ponder.

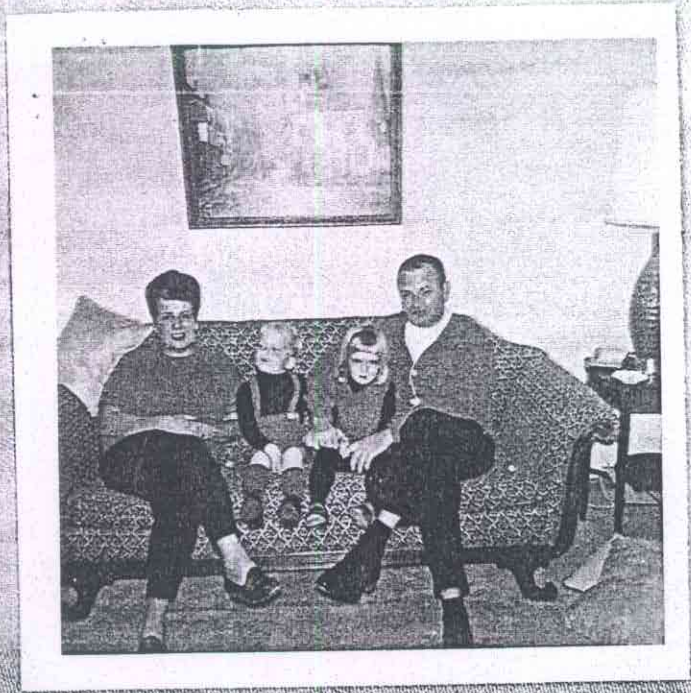

Penn Jones Jr. did a fine  
job - especially in his rather

21 unhealthy location. But,  
you are still the leader  
in all ways in your books.  
If you had planned  
to run an ad in any  
form - in any media I  
would be glad to contribute.  
It would have to be around  
Ten dollars at the most. But  
"The one candle" theory may  
hold in this case. This is the  
time for you to be read - if  
it is to do the most good -

We are still trying to  
get to N.O. Fred wants 18,000.00  
per year - & D.O. is dragging its  
feet in his field. If we do -  
~~you~~ you have a standing invitation  
to be our guests anytime you'll  
are in D.O. or in Columbus -  
while we are still here - It  
means leaving my Mother to go <sup>to N.O.</sup>  
& this pulls me equally two ways -  
& tears me apart at times - My  
Mother is retired &  
widowed. Sincerely  
Louis Saifred -

I have your picture  
on your books -  
So I thought I'd send  
you a picture of us.

Please return it someday  
if you don't want it.  
I hope I'm not being presumptuous.
