Dear Mr Weisberg

In the Warren Report
Summary - Page 730. Mexico
City - last ~~line~~^{sentence} of words -
"Oswald stated that he was
employed at "640 Rampart
Street"; he was in fact
unemployed - (See Com Ex. No's
2478 & 2481; P 300 - Quote Report)

Fred says - this is
probably North Rampart -
As South Rampart is out of
Quarter - mostly colored &
North Rampart - is mostly
Cuban - in Quarter -

What was his address ???
Dondon Douel owned a Bar
in N.O. on Rampart - in the
Cuban Area - did he have it
on Sept - Oct - 63? If not what
was his address so that Oswald
pulled out of thin air - BEFORE
the ~~assassination~~^{murder}? I wish I had
a 1963 N.O. Ciss Cross - or the

full chronology of Gordon
Noel's ^{life} But, I have nothing
but the 1966 Dec. Photo Book
& an old N.O. map -

Sincerely

Gratefully

Loris Hafstead
