

7-11-67

Dear Mr Weisberg;

Thank You for the
fine-autographed book-articles
& note. What I have read
so far continues to amaze me.
You are in a class alone - each
book surpasses the former.

Your widespread recognition
& the supression, is so very
very wonderful. As you say,
nothing can stop you or your
hard work now - it is ~~bound~~
going to take you all the way
to the frightening end.

I have very little today -
Gov Connally is going to
Africa - "American Safari" - Nice
& safely away from the "action".

Gannon Nour has been
released from \$10,000.00 bond -
last week -

7-17-67

Gov Connally - On way to
Africa for American Safari - Rember
Dr Walker was in Germany on 11-22-63 -
It makes one wonder -

2/ The following "classified" to protect
my friend at Police Station,
Probably not of much help - but
for what its worth:

At 9:10 PM - 7-10-67 Mon.
Gordon Nowel came to Columbus
Police Station to retrieve car
impounded at 9:10 PM. By
officer P. Souch - (3 wheeler ^{COP} cap)
poked up at 10th & Pearl (alley)
Serial tickets had accumulated
Nowel claimed Atty. Weene's
daughter had incurred them.

4 De Green Lincoln - late model ¹⁹⁶⁷ 1966
N.O. License # 309 B 627 - N.O. Add. on license
1101 LAKE ST. APT-36 - Metairie (LA ^{N.O.} SUBURB)
Serial # 2Y82H413954 - 'Seed by
Valley Auto Sales 2727 Canal ST. N.O.
Licence ~~State~~ - Indicated car - around
2 yrs old -

My friend staying at station just to
get info - she's been offered better job -
she had steady stream house guests
from La. & Pa - La-people all for
Garrison - I breathed every minute

3/ with his Sat note I thought
he did well - especially under
the circumstances - I don't
moan - but - if I wait until
I have time to finish all
revenue mail that

- Back to Nov 21 - he
told my friend he had to
pay 46.00 of 45.00 for retrieval
of car - & was due at airport
in 45 minutes & must leave
for ^{WASH} D.C. with 5.00 in pocket -
He said the idea of going to
D.C. - was "worse than surgery"

I've read your book to 245
quests or not - its unbelievable.
Incidentally - I have all Cal. O.
papers from Nov-22 until 2 weeks
past & Fred had a jazz stop
in Quarter & knows N.O. jazz people -
that ^(on a regular basis) Andrews will no doubt be
in contact with -

Inc. check - send all - you have - I
cant get enough - Sincerely + thanks
as ever - Lou Hartford

P5
4/ This is all so red
now - Novel could be
on the moon & back -
I re-read my other news -
& decided you'd have it
all -

My friend at P. S. said
Novel was quite charming -
& she could see why he
could be such a "operator"
& get away with it -
She said they almost offered
him money to supplement
his \$5.00! But remembered
who & what he was & didn't -
I worry about John's phone
being bugged - She may
have to leave job yet - but
at her request.

L.
I hope all my mail goes thru to
you - a little phone calls on both
ends - what a weird & new feeling
this is. Fred is getting hook on de-bugging.

OS
Please check p-158 -
you say Mary Hookman
~~said~~ had no reference
~~to~~ number of shots in
her affidavit - I read
she says - "she heard
three or four shots in all".
Does this mean she
wasn't specific - or what?

Please send - Brown Book
to my address - Autographed
To ABSHIRE

Judy ABSHIRE
from you. & anything you may
care to ad - she is my friend
who secured Novel info & says
she'd come work for you if she
didn't have husband & 2 kids - she
types 80 WPM. on electric - she'd be
lucky to hit 50. Check in for
my book & her book & postage.
Judy's name must be held in
confidence. Thank you - L.H.
