Dear Mr. Weisberg:
The "Establishment."

Has spoken. It will be interesting to see what happens to the "7 out of 10" doubters - (this time next week -

It (The CBS Program) was so full of holes - it's not worth comment. (I listed 11 - just off hand)

Will you & Garrison keep on fighting -? I will forever!

I have little hope for the other 3 programs on CBS. (Script by CIA, FBI & News Group)

Inclosed are slim pickins for week - Novel says he'll be in N.O. July 6 & 7th - to see all Garrison's backers in Federal Court - including - Senator Russell Long of Louisiana -

Please - please keep up the good fight - You are the greatest -

Sincerely,
Lois Hatfield

P.S. I can't blame them (The colored people) but it's a marvelous idea importance to their testimony. Has suddenly, (at the moment) the poor souls - probably will lead a decent life - for a change, if they cooperate.
