MEMORANDUM

TO : Honorable John J. Harbo

FROM : J. Lee Harbo

I believe you had expressed an interest in reviewing the FBI file on Oswald, when we had notified on the FBI's list of items in the file, those items which the Commission does not already have. Such a list was distributed on May 12, 1954; a copy of that list and my covering memorandum is attached for your convenience.

If you would advise me how you would like this handled, and that day or days might be convenient for you, I will make the necessary arrangements with Mr. Harbo.
