

5/25/95

Dear Carol,

Congratulations on another promotion!

As I understand it, you intend to finish the corrections you have when you can. Fine.

I'll get someone else to finish it.

When you have the corrections and deliver them, I presume you'll also have the disk and all instructions anyone will need to complete it in the same format.

Which I presume, knowing nothing about such things, may be necessary to prevent possible erasure.

Thanks and best wishes,
