Mr. Harold Weisberg  
Route 12  
Frederick, Maryland 21701

Dear Mr. Weisberg:

This Service has been advised of your request under the Freedom of Information Act for the Warren Commission documents by the Central Intelligence Agency. That agency advises that in processing your request they have surfaced documents which originated with the Immigration and Naturalization Service. The documents have, therefore, been forwarded to this Service to determine their availability to you.

Enclosed are copies of those documents which may be released to you. However, the recommendation of a Service officer in the memorandum dated January 26, 1962, which was not adopted, has been deleted under the provisions of 5 U.S.C. 552(b)(5) being intra-agency memorandum which would not be available by law to a party other than an agency in litigation with the agency; and Harvey L. Oswald's Marine Corps serial number has been deleted from both copies of the Form G-135A dated December 5, 1961, pursuant to 5 U.S.C. 552(b)(2) in that it is related solely to the internal personnel rules and practices of an agency.

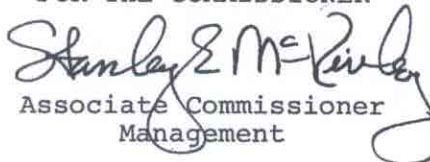

In addition, copies of Marina Oswald's immigrant visa, fingerprints, Form I-90, Application by Lawful Permanent Resident Alien for Alien Registration Receipt Card, Form I-151, and a telegram dated February 8, 1962, are being withheld in their entirety under the provisions of 5 U.S.C. 552(b)(3) and (5). These exemptions relate, respectively, to documents specifically exempted from disclosure by statutes, to wit: Sections 222(f) and 264(b) of the Immigration and Nationality Act, 8 U.S.C. 1202(f) and 1304(b), and being intra-agency memorandum which would not be available by law to a party other than an agency in litigation with the agency.

You may appeal my decision in this matter by writing the Attorney General, (Attention: Office of Information and Privacy Appeals), Department of Justice, Washington, D.C. 20530, within thirty days of receipt of this letter, as prescribed by 28 CFR 16.7. Both your letter and envelope should be clearly marked: "Freedom of Information Appeal," or "Information Appeal." Thereafter, judicial review will be available in the district in which you reside or have a principal place of business, or the district in which the agency records are situated or the District of Columbia.

We have removed all information which originated with the Department of State from the documents dated January 16, 1962, January 26, 1962, January 30, 1962, and May 9, 1962; and we are presently consulting with them regarding release of the information to you. When we receive a reply from the Department, you will be promptly advised.

Sincerely,

FOR THE COMMISSIONER

  
Associate Commissioner
