Dear Sir,

of an affidavit
The New Orleans Times-Picayune of June 4 reports the filing/in federal court in New Orleans by your Floyd D. Moore. It was an attachment to a motion requesting a hearing in the matter of allegations by one Pershing Gervais.

It is my understanding from this newspaper account that the affidavit refutes the Gervais allegations.

I write to ask a copy at your earliest convenience and anything else you may be able to provide on this affair, particularly what might bear on Gervais' motives and credibility.

Sincerely yours,

Harold Weisberg
