The names of those persons registered at the Rebel Motel, Memphis, Tenn., on the night of 4/3/68 have been compared with the names of individuals registered at other hotels and motels where JAMES EARL RAY is known to have stayed, and no duplicates were noted. Investigation in this regard has failed to indicate that any individual named RAOUL was registered in any one of these places at the same time as the subject RAY or that any individual other than RAY was registered in more than one of these motels.
