ADMINISTRATIVE:

No leads are being set forth in this report as all have been handled by telephone or teletype during the period covered in this report.

One extra copy is being furnished to the Memphis Office marked "Hold" for the U. S. Attorney, Memphis, which may be released only upon Bureau authority.

The voluminous negative information is not being reported herein as it would serve no useful purpose. However, in separate volumes of the Birmingham file related to this matter, all such investigation is recorded including elimination of numerous "look-alikes" and suspects.

In accordance with Bureau instructions each informant including CI's and PCI's as well as logical racial informants and sources of information have all been contacted personally during the period covered herein and each such individual has been supplied a copy of the Identification Order for RAY together with exhibition of several views of his photographs. This has resulted negatively to date.

The confidential source whose interview is set forth in this report at length who was a former inmate of subject RAY at the Missouri State Penitentiary is [redacted] who resides at [redacted] Alabama, and is presently employed at [redacted] Alabama. He is being contacted on a regular basis and it is believed that should he receive a call from subject RAY that he will notify the Birmingham Office immediately. It was deemed advisable not to
