

Hi Harold! Sent 2

It was great talking to you on Friday. I'm trying to get lined up to be informed - and get copies - when ARRB releases happen. I will send you copies of whatever I get my hands on.

Here's an envelope for one copy of your Never Again! index - I'll just make a copy for Doug.

I spoke to him later on Friday and he sends his best wishes. We both hope to get to see you in October - and we both look forward to the index!

Thanks so much, hello to Lil,  
and take care!
