Mr. Weisberg:

This will reply to your request dated  
November 29, 1969 for access to official records of  
this Department. You have requested copies of the

drafts, individual reports by any of the panel  
members or advisors and relevant correspondence and  
memoranda, etc." relating to medical reports made by  
autopsy surgeons and the advisory panel to the

Department and are therefore not available.
