Dear Sir:

Enclosed is \$21.50 (money order) for your two books "Frame-Up" and "Post Mortem". Had read over the week-end that you had completed "Post-Mortem" and that there was a possibility that you might be called as an expert witness before Sen. Schweiker's committee.

I hope you will continue to push for a new and complete investigation into the case. Since reading your "Whitewash" series last summer, I've researched and read everything I could on the subject, and I remain convinced of a conspiracy and the total fraud of the Warren Report.

I can't help but feel that the government's walls are beginning to crumble, and like Watergate, the full truth may be known in the next couple of years. The truth awaits, and while we may be a little late getting there, it is better to be late than not arrive there at all.

Sincerely,

Gary Kurz
