Mr. Don Walsh  
KABC Radio  
Los Angeles, Calif.

Dear Bob,

Publication date of my OSWALD IN NEW ORLEANS is 11/1. I have a 10/31 NYC press conference, do a few things in the area, and 11/4 or 5 leave for New Orleans. Before I return I'll have done quite a number of radio and TV shows at least there and in Chicago, Dallas, San Francisco and LA.

I expect to get to LA early 11/15 for a speech that night. If it hasn't been confirmed by the time I leave, I'll spend that day in Frisco, where there is so much interest in this subject and so much demand it is doubtful if I can make use of all the availabilities. I leave LA early a.m. 11/20.

Friends are making the arrangements and I do not know what is pending in LA. I'm writing to let you know in the hope some of your people are interested. If Steve Allison still has his talk show, he knows me. I did several for him at WWDC. I have a considerable amount of never-before-seen material ideally suited for TV, including pictures, both black and white and color and so many FBI and Secret Service reports I do not take the time to count them.

If your people are interested, as I hope, the earlier I hear the better the chance I can reserve something exclusive. I prefer giving each station a fresh show, material not mentioned anywhere else in their area. Usually I can do this if I can plan in advance and if the show sticks to what we discuss in advance. Of course, it makes little difference to me what aspect I discuss, but sometimes the moderator leads into unanticipated paths. Often this makes for a more exciting show, but sometimes it leads to duplication.

This book is being published by the Canyon subsidiary of Parallax Publishing Co., a small outfit. I've asked them to send you a copy as soon as it is available. I'm also making a supply available to a man who has been a wonderful friend and who made most of the arrangements for me when last I was out there. He may be too busy this time. His name is Wm. R. O'Connell, 4175 Stansbury Ave., Sherman Oaks, Calif. Bill will also know what arrangements have been made this time if they are made from LA. Another friend, John Christian, Box 2850, Frisco, SUL-0869, is also making contacts. I'll ask both to make copies available to you if none has reached you by 11/6.

Hope your station is interested and that we can get together for a few minutes while I'm there.

Best wishes,

Harold Weisberg
