Waits. We have both read it. It goes fast, largely because I read it yesterday, during rest periods from what for me was most interesting that he could be as anti-Cuban exile as

well also is interesting. I hear he has a big deal with Watergate book.

trouble. The one reward in reading Hunt is understanding him

"CIA And Watergate" is the reporting of what Baker appears to be. I am also surprised that Anderson would go for such crap. Baker's operation is an interesting operation. It is also without substance. It is for Baker play for saving the GOP he would like to lead next year a self-disclosure for it ~~xxx~~ could not be more dishonest.

defining modern politics except as mythology?

!!

Publishers' Weekly or elsewhere on Hunt's coming magnum opus especially because the reported six-figure advance seems to be a bet of either his work or his position, which can be endangered more by adding to what he has testified to.

a short trip soon. I'll probably know Thursday, when I'll be back after. I report this because your plans are not set and as of now I have to be away.

Our best,

Memorandum from

EDWARD M. KABAK

3/21/74

Dear Hudd,

After much futile searching, I finally uncovered this copy ~~of the~~ of "Where Murder Waits."

The ~~two~~ salespeople in the books store here advise that Hunt's books just don't sell well at all! Surprised?

I assume you saw Jack Anderson's column "CIA + Watergate" this week; if not, I'll save it for you.

I'm now splitting my reading (which is voracious) between politics & anthropology. Strangely enough, a study of mythology casts new light on our political processes.

Hope to see you soon. Regards to Lil

Best,

Ed
