Gentlemen:

As stated in previous letters my purpose of going to Europe has been in connection with the machinery business of the above firm: MINERVA MACHINERY CO, which imports Metal Working Machinery from Europe.

This time-in connection with the temporary recession and low prices in this field in our country, the writer would like to try to EXPORT some similar machinery from this country. Therefore his purpose is to contact some interested parties in this field abroad.

For reason of his age and health he also would like to undergo some medical treatment in Germany. That is why he expects to stay this time longer as usual and the date of his return is uncertain. That is why he would like to renew his passport at the present time.

Assuring you of respect to your high offices

Very faithfully yours

Re: Passport Prolongation of No 462474

Gentlemen:

As stated previously my purpose of going to Europe has been to stabilize and to extend our business connections with European countries.

We intend this time to get in closer connections with Germany and the writer would like to repeat his visit to the Hannover Machinery Exhibition (Metal Working Machinery)

Being in Europe the writer may decide to go to visit his very ill brother, who lives in Russia, and who is in advance age as the writer is. This decision will depend, if I am informed, that my visit to Russia will not embarrass my brother.

The writer would appreciate the removal of the stamp prohibiting travel to certain countries.

Assuring you of our ^{very} respect to your high offices

Very faithfully Your's

W.B. Kara-Patnitzky

P.S. The writer born in Russia left Russia in 1909, and visited his brother in 1934 as a German Citizen.

Passport Application

Gentlemen :

The reason, that I am applying for a passport is, that I intend to make a trip to Europe for business purposes; to make some new connections and to renew the old one.

The Machinery business has been in need for export, and I hope, that I will succeed in transmitting some of the Machinery of the dealers with whom I am in contact:

Allstate Machinery, Centre Street, New York City
Grand Machinery Exchange, Centre Street, New York City
S & S Machinery, Centre Street, New York City and others.

The writer has been in the Machinery business since 1920 in Europe (Germany). He has been in the Metal Working Machinery business since 1941 in this country, and was appointed as approved dealer for War Asset Administration in 1946 (169).

As far as Germany is concerned I wrote all cones (in the application). On the exhibition in New York I met Mr. Arndt Lehmann from Assoc. of German Machinery Manufacturing Industries, whom I have to see in Frankfurt. Mr. Lehmann will advise me further where to go. Some friends in Berlin with whom I am in contact I would like to see for the same purpose.

Very truly :
